

## Bajra Cattle feed Seeds in India

Highly nutritive fantabulous cattle feed is extremely necessary to keep your cattle healthy. We offer our clients a diverse range of unsurpassed quality dairy cattle feed. We are one of the widely acknowledged cattle feed manufacturers, incorporated in India. Our organic cattle feed is pure and simply outstanding from the ones manufactured by our competitors. The use of most advanced machines enables us to maintain the hygienic conditions from the first step till the last step of manufacturing. This enables us to deliver the superb quality cattle feed at the most economical prices.

We produce and manufacture Bajra which is considered to be rich in nutritional value such as proteins and adequate fats and taste. We supply quality Bajra grains as per the different standards of finishing, polishing and grain sizes.
