

## DIFFERENT TYPE OF TEXTILES

We at TajTexTile Products and export all kinds of Fabrics, Ready Made Garments

Erode and its suburbs naturally possess the entire fundamental infrastructure required for general textile manufacture.

Moreover, almost all leading spinning giants have either their depot or dealer here.

Sizing and weaving mills are the backbone of Erode's Economy. On an average 30,000 power looms and thousands of auto looms are running as on date-, which paved way for the two

20 odd processing mills cater into international standard and finish lakhs of mtrs and value added by the way of special efforts like , Bleaching and Printing...

Wednesday is the unique in the country. Any textile product under the sun is available here.

Note : - Rate of the products Mention in the Website will be verified by day to day fluctuation in the Indian Agro Market Actual Rate of the Products will be provide at the time of final Confirmation of Order
