

## Festival Saris

Introduction -Saree is the most popular women's wear in India since early days. Its a long fabric measuring 115 cm x 530 cm (breath x length). around 5 to 6 yards and some time 9 yard, that is used to cover the entire body of a woman. The Saree exporters, sari Exporters and saree Suppliers offering online shopping for Indian traditional saris, zari sarees, kanchievaram sarees, silksarees, brocade sarees and much more.

Festival saris are the most often worn bridal wear.They have fine, hand woven exquisite zari work and stocks are always limited. Summer Georgette, Valkallam, Brocade (with zari work all over) Jamdaani , Jamava and Organza (cora touch) are the different varieties available in this category.

he word 'sari' evolved from the Prakrit 'sattika' as mentioned in earliest buddhist jain literature. Saris is the traditional wear of India but it has been evolved from the past and it can be draped in several different styles, though some styles do require a sari of a particular length or form, it differs from region to region.

Saris can also be classified from region to region like Benaras, north of India is known for benarasi sari while Maharashtra is known for Paithani saris. Saris have wide range of variety and prices, its price starts from 50 and it goes to more then 50 thousand. Saris are well known in the neighboring countries but it is extensively worn in India
