

DAIRY WHITENER

Our Dairy Whitener is of highest quality. It is prepared from partially skimmed milk and sugar. Keeping in mind the hygiene of the product, all the dairy whiteners are properly packed by sophisticated machines. The packaging incorporates moisture barrier laminate to ensure that the product remains intact.

The Dairy Whitener produced by us is especially made to add a rich, smooth taste to your tea. It can be used in different ways—simply drunk as milk or used in coffee and tea or for preparing desserts. Dairy coffee whitener provided by us gives the customers the utmost satisfaction with the very first sip. Composed of an optimal blend of fats, carbohydrates and proteins, this product is highly purchased by consumers for its healthy and purity attributes. We ought to be one of the most recognized dairy milk whitener suppliers in India. So come to us and purchase this par excellence product at affordable prices.

The material is made by fresh pasteurized spray dried standardized milk.

Note : - Rate of the products Mention in the Website will be verified by day to day fluctuation in the Indian Agro Market. Actual Rate of the Products will be provide at the time of final Confirmation of Order.
